NATIONAL VOTER REGISTRATION DAY

Indian River County, FL – On Tuesday, September 24th, the Supervisor of Elections Office joined with thousands of other elections officials and others across the country to celebrate National Voter Registration Day with focused, nonpartisan voter registration efforts and related publicity campaigns.

The Elections Office setup voter registration drives during lunch at all five Indian River County High Schools, as well as, the Indian River State College Mueller Campus. The Elections Office registered a total of 50 voters during their National Voter Registration Day events.

Every year, millions of Americans find themselves unable to vote because they miss a registration deadline, don't update their registration, or aren't sure how to register. National Voter Registration Day seeks to help eligible voters across the country participate in our democratic process. On National Voter Registration Day, organizations from all over the country "hit the streets" in a single day of coordinated field, technology, and media efforts to create broad awareness of voter registration opportunities and reach voters who may not register otherwise.

National Voter Registration Day has been endorsed by the National Association of Secretaries of State (NASS). It is further supported by the National Association of State Election Directors (NASED). National Voter Registration Day is held on the fourth Tuesday of September.
