FLORIDA RUNS CLOSED PRIMARIES

In Florida primaries (unlike in municipal, general and special elections), you may only vote for party candidates of the party for which you are registered. (For example, only persons registered as Democrats may vote for Democratic candidates.) There is only one exception — if all candidates running for an office have the same party affiliation, and the winner will have no opposition in the general election, then all registered voters may vote on that race in the primary (Universal Primary Contest).
