ARRIVING SOON: OFFICIAL PRIMARY ELECTION SAMPLE BALLOTS

Indian River County, FL – Indian River voter households should be on the lookout for their official sample ballot arriving in the mail in the coming days. The official sample ballot contains all the candidates and ballot questions that were certified according to election law to be placed on the August 30th Primary Election ballot. The sample ballot also contains important election information that will help voters prepare to cast their vote.

Only one sample ballot will be mailed per household. Voters may also visit the Supervisor of Elections website at www.voteindianriver.com to download a sample ballot or they may request to have their voter-specific sample ballot sent by email. Voters are encouraged to review the sample ballot and come prepared to vote – even bring along a copy with pre-determined choices marked to speed up the voting process.

Remember, Florida is a closed primary state, so you may only vote for party candidates of the party for which you are registered in partisan races. All registered voters, regardless of party affiliation, may vote for universal primary contests, nonpartisan races and on ballot questions.
