CAMPAIGN MAILER

Indian River County, FL - It has come to the attention of Supervisor of Elections, Leslie Swan, that her photograph is being used in a candidate's campaign literature. Supervisor Swan had no knowledge that her photograph was being printed on campaign material. Every Supervisor of Elections in the state of Florida takes an oath to conduct impartial elections. Supervisor Swan said "I want to assure the voters of Indian River County that I was completely unaware of the use of my photograph. I would never want the voters to conclude that I was supporting a candidate. I maintain complete impartiality while carrying out my job responsibilities as Supervisor of Elections."
