Early voters should bring identification, containing a photo and signature (such as a Florida driver's license). Other acceptable forms of ID can be found on the Elections Office website. Voters who do not have proper identification will be required to vote a provisional ballot.

Precinct specific sample ballots are available online. Voters are encouraged to review the sample ballot and come prepared to vote – even bring along the sample ballot with your pre-determined choice marked to speed up the process.

Voters also have the option of requesting a ballot to be mailed to them. Mail ballots cannot be forwarded, so a valid mailing address is required. Requests for mail ballots can be made in person, online or over the phone by calling (772) 226-3440. The last day for voters to request a ballot to be mailed is March 9, 2016. Voted mail ballots may be delivered to any of the three early voting sites during voting hours and deposited through the mail ballot drop box located inside the polling place or placed in the mail with \$.71 postage.

Those who choose to wait until Election Day to vote must go to their assigned polling location.
