Official General Election Sample Ballots Printed in English and Spanish Arriving Soon

Indian River County, FL – The Indian River County Supervisor of Elections has mailed the official sample ballot for the November 6 General Election to households with registered voters. Based on a recent Federal Court ruling, Indian River County has been directed to make available sample ballots in Spanish.

The official sample ballot contains all of the candidates and ballot questions appearing on the General Election Ballot in both English and Spanish. The sample ballot also contains important election information that will help voters prepare to cast their vote. Only one sample ballot will be mailed per household.

Voters can visit VoteIndianRiver.com and click “My Sample Ballot” tab to view a precinct-specific sample ballot in English and Spanish. Sample Ballots may also be emailed upon request of the voter.

Leslie Swan, Supervisor of Elections wants voters to know, “Voters are encouraged to review the sample ballot and come prepared to vote – even bring along a copy with pre-determined choices marked to speed up the voting process. The ballot is two-sided and contains twelve Constitutional Amendments. Marking your sample ballot prior to going to the polls will mean less time in the voting booth.”
